

Brief History

ALPHA ANGELICUM ACADEMY is a private school located at Golden Meadows Subd., San Antonio, Biñan, Laguna. The beginnings of Alpha Angelicum Academy can be traced back to the day Alpha Tutorial Services started.

In March 1991, Alpha Tutorial Services opened its doors for the first time to provide summer activities for children. Remedial and advanced lessons in Mathematics and English as well as Arts lessons were held at Honor's Apartment. That was the start of the tutorial business. Parents were satisfied with the program that they requested the administrator to hold preschool classes. In June 1994, permit to operate preschool in the same site was granted by the Department of Education, Culture and Sports. It was called Alpha Kiddie Learning Center with 2 classes of eight pupils each. In the same year, plans for the present Alpha Angelicum Academy were made. Permit to operate preschool as well as complete elementary school was granted. Construction of the building started on March 8, 1995 and was inaugurated on August 19, 1995. There were 61 pupils from Nursery to Grade 5. On October of the same year, permit to operate First Year and Second Year High School was granted and the Permit for complete High School in 1997. All departments are recognized by the Department of Education.

In April 1996, ARTS (Angelicum Ripples Therapy School), was born. This center caters to children with learning and behavioral disabilities. The ultimate goal of this center is to train the children to become productive and functional in life. This center was removed after six years because of the changes made in the curriculum to eliminate stigma and to uphold the *Education for All* principle.

Alpha Angelicum Academy is continuously growing from an eclectic to a progressive school. With commitment and concerted efforts, it aims to reach out to more children and families, developing young minds into Christian persons, socio-civic minded individuals, globally competitive and productive citizens in their respective communities.

children.

*The development of the total
person is our mission!*

AFTER
SCHOOL
SKILLS
ENRICHMENT
TRAINING

Alpha Angelicum Academy is a progressive school whose mission is anchored in the development of the total person.

In line with the school's mission, AAA is extending its services to all school-aged children even those studying in other schools through the **ASSET** program.

The courses in the **ASSET** program are designed with the following objectives:

- to develop work skills required to cope with the academic and social demands of school;
- to manage deficits among children who are developmentally challenged; and
- to enhance the multiple intelligences of children.

Who can enroll in the ASSET program?

Any school-aged child can be enrolled in any of the courses in the program.

When and where are classes held?

All classes are held at Alpha Angelicum Academy. The schedule depends on the availability of the teacher and the child.

**ASSET
COURSES**

Academic Tutorials

Children enrolled in this course are assisted in their daily home work and are given training on study skills and exam preparation.

Reading Recovery

This is a modular reading course individually designed to improve reading and comprehension skills of children who have difficulty in reading or may have reading disability. The method used is the Slingerland Method.

Mathematics Recovery

Enrollees are exposed to a multi-sensory method in learning numeracy and the four fundamental operations combining the Orton-Gillingham Method and traditional drills.

Ballet

Acts Manila handles the ballet classes in Alpha Angelicum Academy. Recitals are held at the Cultural Center of the Philippines.

Badminton

AAA is known for its badminton program. This is a beginners course for children ages 8 to 11, who want to learn the basics of the game.

Piano

Develop and enhance the musical intelligence of your child by enrolling him/her in this course.

Speech Therapy

Occupational Therapy

Behavior Modification Training

Executive Skills Training

The above courses are meant to manage specific skills of developmentally challenged children.

For enrollment details and schedule, please get in touch with Ms Henedine in the Guidance Office or get in touch with AAA through the numbers and email below.
